## 3-Day Sale Offers Big Savings

By Marge Thomas

Be sure and plan on visiting Sierra Madre March 7, 8 or 9 to take advantage of the many fine values offered by your merchants. There are 41 stores participating in the city-wide "Dollar Value Days."

The event is being sponsored by the Sierra Madre Chamber of Commerce and is designed to offer the buying public unusual and worthwhile values during the three-day sale.

It's remarkable how many items, such as a lube job on your car, imported stainless steel flatware, name brand hosiery, plastic drop cloths for that home paint job, cosmetics, dry cleaning services and any number of grocery specials, that may be had for that single dollar.

There are many, many more especially priced items that will save you dollars, so check all the ads carefully and take advantage of the savings.

Don't forget the three public parking lots that are available for your convenience while shopping.

Neighbors are reminded, too, that by shopping in Sierra Madre, the sales tax collected is spent locally to make the city a better place in which to live.

Currently, 25 per cent of your sales tax money spent locally is being earmarked for a new swimming pool and recreational area.

## Local Man Arrested in Morals Case

A local man was arrested Sunday by Sierra Madre and Monrovia police and charged with indecent exposure.

He was identified as Richard A. Frink, 32, of 669 Sturtevant Dr. Monrovia police, aided by Sgt. Robert Heasley, made the arrest after breaking into Frink's home when he refused to open the door.

Police said that Frink has also been accused of using profanity and making lewd suggestions during phone calls he made to several Monrovia women.

One woman told police about Frink's desire for an appointment. Police then accompanied her to Sierra Madre where direct evidence was obtained and the arrest made at about 2 p.m.

## Margaret Lathe To Head Demos

Mrs. Margaret Lathe was unanimously elected president of the Sierra Madre Democratic Club at its meeting last week. Thomas J. McCann was elected vice president; Mrs. Margaret Nash, treasurer; Mrs. Evelyn Sloan, recording secretary, and Thomas Lathe, corresponding secretary.

Mr. McCann, who attended the National Democratic Conference in San Francisco, reported on that meeting, and Ray Johnson, retiring president who now is chairman of the 48th Assembly District Council, also gave a report.

Mr. and Mrs. Lathe, Mr. McCann, David Aronson, and Richard Lee Burrman were named as delegates to the California Democratic Council convention to be held in Long Beach March 16-17. Mr. Johnson also will be a delegate, representing the district.

Mrs. Lathe also has been elected corresponding secretary of the 21st Congressional District Democratic Council.

## Denies Rap At Police, Council

A published report implying that the Sierra Madre Police Department and the City Council have not acted properly in the cross burning incidents here was denied yesterday by Dr. Nathan Jacobs.

A cross was burned Feb. 9 on the lawn of Dr. Jacobs at 454 Mariposa, apparently because his wife, Nettie, was one of three Board of Education members who supported a resolution which, in effect, stated that the field of religious instruction belongs in the church and home and not in the public schools.

LATE LAST Sunday or early Monday morning a second burning occurred on Dr. Jacobs' yard. A large seared area, an unwound roll of tissue paper, some of it in ashes, and a book of paper matches were found.

Police Chief Gordon G. McMillan said investigation disclosed that gasoline was used to ignite the paper. There are no known witnesses to the burning, he said, which probably was in the shape of a rough cross.

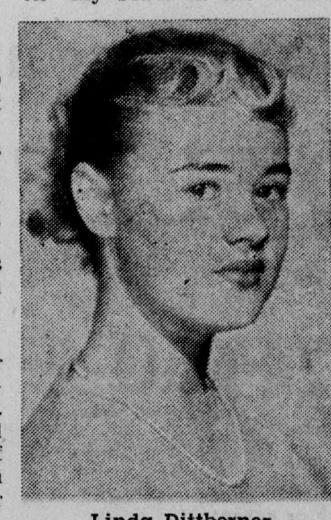

"I certainly did not intend to embarrass the Police Department or City Council," Dr. Jacobs said. "I have always got along well with them."

"Also, I don't want anyone to feel we have no confidence in the Police Department, because that isn't true. Frankly, I don't know whether the department has sufficient personnel to cope with a situation such as this."

DR. JACOBS was referring to a report in a daily newspaper, headlined "Raps Police in Second Lawn Blaze."

"I didn't take the attitude of criticizing the police," Dr. Jacobs continued. "I just disagree with the department's theory that the burnings are the work of juveniles."

"I feel the cross burnings are related in the present controversy in the school and are an attempt to intimidate a public official."

Linda Dittbner

of 1976." She will speak next in the Lions Club zone contest and, if successful, she may progress through the regional and to the district contest. The district winner will receive a \$1,500 scholarship to any accredited college.

Awarded trophies as club

finalists were Joel Crain,

Pasadena Junior High,

and John Seasholtz, Monrovia-Duarte. Linda was awarded the winner's trophy, an engraved onyx desk pen.

Contest judges were Mrs. Martha W. Coutant, Dr. Raymond Pease and Harry W. Elwood.

The Lions Club committee in charge included Dr. Ralph J. Martin, chairman, and James Dunnigan and Charles Waters.

### Funeral Service For Mrs. Scheuner

Funeral services were held last Saturday for Mrs. Hazel A. Scheuner, 286 W. Highland, who died Feb. 27 following a three-month illness. The deceased is survived by her husband, A. Scheuner, and three daughters, Elizabeth and Barbara Scheuner and Mrs. L. W. Suckling, a granddaughter, Bernadette.

## Wilson High Student Wins Lions' Trophy

Linda Dittbner, a 14-year-old Wilson Junior High student, won first place last Thursday in the annual speakers' contest sponsored by the Sierra Madre Lions Club.

Linda, daughter of Mr. and Mrs. Arthur Dittbner, 3300 Hermanos, Pasadena, spoke on "My Place in the World.

The Sierra Madre Ministerial Association, shocked over the second cross burning on the lawn of Dr. Nathan Jacobs, yesterday released the following open letter to the people of Sierra Madre:

"The Sierra Madre Ministerial Association is most grateful to hear through its representatives of the fine work done by the Citizens Committee on Religion in the Public Schools, which is now reporting to the School Board.

"This work has been done in a spirit of brotherhood and cooperation.

"The association deplores the acts of prejudice and bigotry that have recently occurred in our community, especially such instances as the cross burning.

"It wishes to urge all our citizens to be alert, understanding and constructive Americans, and to work diligently to prevent the reoccurrence of any such undemocratic and unbrotherly action."

## Erosion Control Project Set for Chantry Flats

An erosion control project in the Chantry Flats picnic area (accessible via Santa Anita Ave.) will be started in about one month, William Dresser, district Forest Service ranger, announced yesterday.

Immediate Forest Service plans call for the construction of retaining walls in the picnic area and the planting of shrubbery. The area will be open during erosion work.

Also planned, Mr. Dresser said, is the rebuilding of the Santa Anita Canyon Trail which winds through the hills to Mt. Wilson and the replacement of picnic tables, stoves and other recreation facilities.

This work, however, depends on Congress, which is now considering an \$11,000 appropriation requested by the Forest Service.

Contest judges were Mrs. Martha W. Coutant, Dr. Raymond Pease and Harry W. Elwood.

The Lions Club committee in charge included Dr. Ralph J. Martin, chairman, and James Dunnigan and Charles Waters.

### NAMED VICE PRESIDENT

William E. Hayes, 655 Edgeview Drive, Sierra Madre, has been named vice president and general manager of Kurtis Corp., Glendale. Kurtis is a pioneer in design and manufacture of automotive, aircraft and rocket launching equipment, pressed steel structures, and electronic controls. The family has resided in Sierra Madre since 1944.

### ITURBI CONCERT

The monumental "Scherzo" in B-flat minor is included in the vivid group of Chopin pieces that will be played by Jose Iturbi, when the piano virtuoso returns to Los Angeles on Impresario Mary Bran's concert series for a stirring program in the Philharmonic Auditorium at 8:30 Friday night, March 15.

### 6 Soldiers Led to Safety

Lee Shippey, columnist for the Sierra Madre News and well-known Sierra Madrean, fell in his home last Sunday and suffered a compound fracture of his left wrist.

Mr. Shippey, 299 Toyon Rd., is reported progressing satisfactorily in St. Luke Hospital. A former foreign correspondent and the author of several books, Mr. Shippey still writes a Sunday column for The Los Angeles Times.

The squad was called last Saturday when Robert L. Webster, of Highland Park, chipped a bone in his ankle while hiking in the Big Santa Anita Canyon with a group from a boy's home.

The youth was carried down the canyon by litter and sent to the Temple City Emergency Hospital for treatment.

On Sunday night, a small signal fire burning on the high ridge above Bailey Canyon attracted the attention of the local Police Department, which contacted the Rescue Crew.

Six soldiers, all from Fort McArthur, had become stranded at night after deciding to spend the weekend hiking in the mountains. The Rescue Crew led them all to safety.

Participating in the rescue were Earl, Edward, Robert and Fred La Lone, John Grippi, Jon Matthews, Minor Harkness, Don Jackson, Bill Adams, Howard Miller, Charles Raddon, Hubert Herick, and Red Shangrau and Paul Hardin of the Forest Service.

Mayor Charles H. James and Don Jackson will introduce Mr. Loen and Lorne Pratt will be master of ceremonies. Harry Lange is in charge of the program.

Tickets may be obtained up until noon Saturday at Perry's Stationery Store, 56 W. Sierra Madre Blvd., Elgin 5-3385, or at the Chamber of Commerce, 94 N. Baldwin, Elgin 5-6226.

## Asks School Board To Replace Motion

A resolution incorporating previously stated Board of Education sentiments but at the same time adding new ideas has been unanimously adopted by the Citizens Advisory Committee on Education in the Schools.

The resolution was drafted and accepted by the 11-member committee last Thursday and will be the main subject of discussion at the March 25 meeting of the School Board.

with educational and religious leadership.

"We are happy to say that this recommendation was a unanimous decision of the committee."

## Mrs. America Area Contest March 14

Top homemakers in the San Gabriel Valley area will exhibit their skills Thursday, March 14, at El Monte Masonic Temple, 713 N. Tyler Ave., El Monte, in the regional final of the contest to select Mrs. California, 1958.

Regional winners will go on to the Beverly-Hilton on April 1-3 for the statewide finals, where one of their number will be crowned Mrs. California. The state winner, in turn, will go to Fort Lauderdale, Fla., May 7-14, to compete with other state titleholders for the accolade of "nation's top homemaker of the year" — Mrs. America, 1958.

In addition to the three-day expenses paid stay at the Beverly-Hilton for herself and husband, the winner of the regional contest will receive a gas clothes dryer, trophies, and other valuable prizes.

Mrs. California, 1958, will receive an automatic gas range, a two-week expenses-paid stay in Florida for herself and her husband, and numerous other prizes. The winner of the Mrs. America title will receive more than \$15,000 worth of prizes.

### HOSPITALIZED

Mrs. Ruth Dowty, charter member of the Sierra Madre Women's Club, is ill in the Culver City Hospital. Mrs. Dowty, now a resident of Westchester, Calif., has been ill five weeks.

CHARTER MEMBERS and past presidents of the Sierra Madre Women's Club were honored yesterday during the club's Golden Anniversary celebration. From left are Miss Clara Sykes, table hostess for charter members; Mrs. Neil Fallon, Women's Club president; Miss Elizabeth Steinberger, charter member; Mrs. Edith Pictor Nelson, charter member, and Mrs. Maybelle Barker, general chairman of the event. In the background is a display of pictures of past presidents. (See story on Page 3.)

**Basis for Amicable Solution**

Congratulations are due members of the Advisory Committee on Religion in the Schools.

Frankly, the committee did better than many observers expected, particularly in view of the differences of opinion apparent after the first meeting. At the second committee session, unanimous agreement was reached on a statement of policy which is quite similar in many aspects to the original resolution adopted by the Board of Education.

There is one important difference, however, which will be apparent to those who have followed the controversy. The committee's statement says:

"Resolved that it shall be the policy of the Board of Education of the Sierra Madre School District to uphold the Federal and State Constitutions and Educational Code provisions whereby no sectarian or denominational doctrine shall be taught nor instructions thereon be permitted, but whereby freedom to respectfully examine, discuss or present religious concepts in the public school curriculum and program shall not be denied but shall be forever guaranteed; and that problems as they arise may be dealt with by consultation with educational and religious leadership."

Now the School Board's resolution, in effect, stops after "no sectarian or denominational doctrine shall be taught nor instructions thereon be permitted . . ."

The committee phrasology—"but whereby freedom to respectfully examine, discuss or present religious concepts in the public school curriculum and program shall not be denied but shall be forever guaranteed"—is almost certain to evoke questioning and requests for clarification.

If this phrase is interpreted to mean that the Sierra Madre Schools may permit instruction in religion, then a direct contradiction exists between the first and second parts of the resolution.

For how can "no sectarian or denominational doctrine . . . be taught nor instructions thereon be permitted," while at the same time the right to "present religious concepts in the public school curriculum . . . shall be forever guaranteed?"

On the other hand, few would deny the right of public schools to be free to present moral and spiritual values. For how could a school properly be called an adequate educational institution if it refused absolutely to discuss the great religious forces that helped shape our civilization?

Again, of course, the subject is a matter of interpretation. These questions presumably will be answered at the next meeting of the Board of Education March 25.

The Committee on Religion in Schools wisely, I think, left the question of interpreting specific instances as they arise up to the school administration, which normally would be the superintendent.

Although the committee's resolution probably is not everything that could be desired (what is?), the basis for an amicable settlement is present if we all keep our heads. H.W.E.

**Letters to the Editor****PRAISES 'AROUND SQUARE'****MODERN ART—BAH!**

Dear Sir:

Thanks is due from all your readers, including this constant one, for last week's (Feb. 28) column, "Around the Square," in which Marjorie Parker gave such a fine, detailed exposition of the purpose and workings of the "Fund for the Republic," branch of the vast trunk of the Ford Foundation.

The final paragraph, quoted from the Fund's president, Robert Hutchins, points out that the Fund works "exclusively in the area of civil liberties," further describing its work as "a pioneer venture in uncharted and dangerous territory." While the "Fund for the Republic" is undoubtedly the largest and most heavily endowed for its purpose, in history, let us not forget the "American Civil Liberties Union," founded in 1920, which ever since has been charting that same dangerous territory of civil liberties over the whole breadth of the U.S.A.

Its monthly 4-page news sheet, "Civil Liberties," founded in 1938, has published 149 numbers, in which are recorded its own activities and those of law courts and other deliberative bodies in the humanizing process. Its national headquarters are at 170 Fifth Avenue, New York 10. "Eternal vigilance is the price of liberty" there is little danger of over-production in either commodity.

Yours truly,  
EDWARD L. VOORHEES

Ever see 250 kids sit still for 50 minutes without teacher, parent or sub-machine gun on hand? They did, Saturday, on the Community Room floor at the Library. Spellbinders were the puppets and puppets brought to town by Junior Friends of the Library.

Ken Green is chairman of the committee, members are Mrs. William Keith and Mrs. Hugh Colvin. And the committee reminds mothers that pre-school children should not come to the entertainments without a parent in tow. The small fry tend to get lost in the shuffle.

And also, Dan Parker, how about an announcement board out in front with date and time of events? Librarian Lulu Moore reports that children start coming at 11 a.m. for a 2:30 p.m. show.

**SINCE IT APPEARS** that "Moby Dick and Unguarded Men" are to be held over for another smashing six months on the movie marquee—Maggie Ascher suggests a one-letter typo to make it "Unguarded Women" and we would at least be startled every time we saw it.

**CYPRESS COURT** went through one heroic day last week as first steps toward grading and paving the streets began. Dawn got heralded by the buzz of chain saws and the enormous thuds of falling eucalyptus trees.

A bulldozer rumbled around uprooting stumps of the monsters and as it rumbled it tripped up and broke eight water lines. The seventh one had pressure behind it and geysered 40 feet in the air, to descend directly on top of Gina and Ted Velasquez' house. Looked like the set for "Rain," except the men were running around with wrenches.

As the working day ended, peace fell over the area. All that remained was a great truck loaded with stumps. The truck moved heavily up the hill to Churchill Road and then, yes, really, then the tailgate fell open and the stumps rolled out into the street.

Back came the bulldozer, back came the men, rain began to fall and gusty winds to blow. One gust took hold of the sign, posted at the entrance to the project, and blew it over on its face. The sign read "Another Improvement for Your Convenience and Safety."

Ah well, there'll be dancing in those streets yet. Paved streets.

The history of the San Gabriel Valley from the time of the Indians, through the building of the Missions, the coming of the railroads with the subsequent boom, the leveling off and historical events up to the present will be the subject of the general meeting of the Arcadia Branch, American Association of University Women March 11. **AN OPEN LETTER To the People of This Area:**

It is a well known and cherished fact by every resident of the Pasadena trade area that it is noted for its economic stability, its civic minded citizenry, its community pride and the excellent character of its people.

It is therefore with a feeling of pride that we, Natzel Oldsmobile, address this letter to our friends and neighbors after our third year in business in this community.

In an era when the air is filled with wild claims and come-on pitches from other areas, the established Pasadena automobile dealer conducts his business in a straightforward and reputable manner. After all, as your neighbor and fellow townsman, his success depends upon your satisfaction with his services. He wants your patronage, day after day, year after year, and we of Natzel Oldsmobile plan to be in business here a long, long time. We can do that only by building a reputation for a Quality Operation in this community.

It is a sad commentary on the automobile fraternity today that so many dealerships, through misleading advertising, high pressure sales tactics, tricky statements and pricing, would destroy the trust that you as a purchaser should have in your local dealer. They, "The Fast Buck Artists," are alone to blame; not you—the Public.

Now then, let's get down to brass tacks. We operate the only exclusive Oldsmobile dealership in the Pasadena trade area and are proud to be associated with the other fine dealers of this city. We warrant to you that we will do our dead-level best to serve you with honesty, integrity and courtesy always. With the kind of service you would like to have and are entitled to. This Oldsmobile dealership has been established on this corner now over 28 years. Many of our personnel with years and years of experience right here: Dave Wheeler, Service Manager—28 years; Ed Couch, Tune-Up—21 years; Charles Dickinson, Partsman—18 years; Earl Chinn, Sales Manager—18 years; Bill Graves, 16 years; Elmer Nova, 14 years; Barney Popeney, 14 years; Al Willis, 14 years; Warren Tilton, 12 years; Royal White, 10 years; and many others. Most of these people have, like yourself, families and homes here and take a sincere interest and pride in this community.

Doesn't it stand to reason then, that when you buy at home, you reap many benefits that are not available elsewhere—a sincere interest in your transportation needs—a service department conveniently located and staffed with experienced and reliable men—Free Pick-up and Delivery—and a Firm that is part of your home community and interested in you.

At our dealership, the emphasis is on HOW MANY CUSTOMERS believe in our product, our services and our firm—not just HOW MANY OLDSMOBILES are sold. We aim to deliver every customer the most value for his money—so he will value us enough to keep coming back.

So if you are an Oldsmobile owner, and not now coming in, or you plan on purchasing one of these fine cars, won't you come in soon. Let's get acquainted and we are sure it will be mutually appreciated.

Sincerely,

**Natzel Oldsmobile Center**

ENJOY FINE FLAVOR  
OF RIPE BANANAS

Enjoy the downright deliciousness of bananas in fruit cups, salads and desserts. Put their fine flavor into wonderful baked products.

When a banana is fully ripe its skin is a rich shade of yellow, flecked with brown. Then it is best for eating, infant feeding and as an ingredient in baking.

Bananas go past that perfect eating stage of ripeness in just a few days. Be sure to use them while they are at their best in flavor and texture.

**BANANA LAYER CAKE**  
2 1/4 C. sifted cake flour  
2 1/2 tsp. baking powder  
1/2 tsp. soda  
1/2 tsp. salt  
1/2 C. shortening  
1 C. sugar  
2 eggs  
1 tsp. vanilla  
1 C. mashed ripe bananas  
1/4 C. sour milk or buttermilk

Sift flour, baking powder, soda and salt together. Cream shortening with sugar until fluffy. Add eggs one at a time, beating thoroughly after each addition. Stir in vanilla. Combine bananas and milk. Add sifted dry ingredients alternately with milk mixture to the sugar mixture. (Begin and end with dry ingredients.) Pour into two oiled 8 inch layer cake pans. Bake at 375° for 25 to 30 minutes.

**BANANA NUT BREAD**  
2 C. sifted flour  
1 tsp. baking powder  
1/2 tsp. soda  
1/2 tsp. salt  
1/2 C. shortening  
1 C. sugar  
2 eggs  
3 Tbsp. buttermilk  
1 C. mashed ripe bananas  
1/2 C. chopped walnut meats

Sift together flour, baking powder, soda and salt. Cream shortening to soften and gradually cream in sugar. Add eggs, one at a time, beating well after each addition. Stir in bananas and mashed bananas. Blend in sifted dry ingredients. Mix in well-greased 9 x 5 x 3 inch loaf pan. Let stand 20 min. before baking. Bake at 350° for 50 to 60 minutes.

**BANANA BRAN MUFFINS**  
1 C. sifted flour  
3/4 tsp. soda  
1/2 tsp. salt  
1/4 C. sugar  
1 C. ready-to-eat bran flakes  
1 egg, well beaten  
2 Tbsp. buttermilk  
2 Tbsp. salad oil  
2 C. thinly sliced ripe bananas

Sift flour, soda, salt and sugar into a mixing bowl. Mix in bran flakes. Beat eggs and mix in milk, oil and bananas. Add, all at once, to dry ingredients and mix only enough to dampen flour. Fill oiled muffin tins 2/3 full. Bake at 375° for 20 to 25 min. (Makes 12 two-inch muffins.)

## Delta Zetas to 'Shoot For Moon' at Benefit

By Toni Maurin  
SYcamore 7-9634

Didn't I tell you? The minute I turn my back the weather does just what is expected of it. Did you ever in all of your life see such a thunder storm as we had last week? It roared and blazed through the sky like a typical mid-western summer storm. I'll bet that a lot of people had last-minute changes on their wagers at Santa Anita. I noticed by the paper that throngs of people attended the races in spite of the heavy orange juice. Horse lovers, no doubt. \* \* \*

**MRS. JOSEPH M. PHELPS** of 1430 Old House Road entertained 11 ladies of her Sigma Kappa sorority at a bridge luncheon last week. Mrs. Phelps is the outgoing president and this served as sort of a re-cap luncheon to evaluate what has been accomplished in the past year. Among the local ladies were Mrs. Raymond Andrews and Mrs. Charles Phinny.

**MR. AND MRS. L. T. Greiner** of 3000 E. Clarmeyra had a most exciting trip from the 21st through the 24th. They flew to San Francisco for a couple of days and then returned by water as guests aboard the President Wilson. They were entertained royally with parties and in spite of a rather rough sea had a wonderful time.

**LARRY GARLAND** and Dr. Robert Mueller, both residents of Old House Road, returned last Thursday from a four-day fishing trip up at Lake Mead. (Which, as you know, is located near Las Vegas.) They were very successful and brought back the fish that didn't get away. I do mean fish! \* \* \*

**MR. AND MRS. E. Marshall Harris** of 1540 Sierra Madre Villa, joined Mr. and Mrs. Edwin Engerman, former hillites, and took a trip down to Ensenada last weekend. They stayed at the Villa Marina, and thoroughly enjoyed all the festivities of the Carnival, which I am told is similar to our Mardi Gras celebration.

**MRS. DAVID ELMER** of 3390 Fairpoint entertained at a luncheon last Friday honoring her mother, Mrs. Von Normann, who is visiting her. Among the guests were Mesdames George Groth, Randolph Wood and David Wood.

**MR. AND MRS. GEORGE Clark** of 1525 Old House Road had a small dinner party last Saturday night. Among the guests were Messrs. and Mesdames Alkmann Armstrong, Joseph Philpott, Charles Goldsworthy, Ernest Maurin and Dr. and Mrs. Robert Mueller.

**I TALKED** to Miss Marion Smale of 1247 Sierra Madre Villa to see if she had any news the other day, and she informed me that she and Miss Clark are just recovering from the Mu Phi Epsilon conference recently held at Pepperdine College. She was conference chairman this year, which entailed a great deal of organization on her part. As you know, Mu Phi Epsilon is a national professional music sorority, and this particular conference included nine Southern California chapters, six of which were alumni chapters and three collegiate chapters. Needless to say the program was unsurpassed.

**I TALKED** to Mrs. Jack Paschal Jr., of 1324 Sierra Madre Villa, last weekend and she is desperately looking for Red Cross workers in Division 12, which covers the area between Colorado to Craig, to Paloma, to Eaton Wash. She needs about 64 workers and so far she has had practically no volunteers.

She has a mammoth job and an important cause and it could be made so easy if everyone wouldn't assume that their neighbors have plenty of time and can help out. Let's keep her phone busy this week with offers of help. It is SYcamore 4-8757.

## Women Voters Locate Booth at Shopping Bag

The Pasadena League of Women Voters will staff a Voters' Service booth at the Shopping Bag Market, located at Michillinda Ave. and Sierra Madre Blvd., on March 12 and 13 from 10 p.m. to 5 p.m.

Mrs. Charles E. Cowen, booth chairman, has announced that reprints of questionnaires which have been submitted to the candidates for City Director, will be distributed free. This is another public service rendered by the League of Women Voters.

League Day, March 12, at 9:45 a.m. in the Women's City Club, will bring an introduction to National Item 1—an Elevation of U.S. Loyalty-Security Programs.

The luncheon speaker will be William Gray, president of the Los Angeles Bar Association. His topic will be "Can We Have Both Freedom and Security?"

You are invited to call the League Office, SYcamore 2-5258, by noon March 11, for luncheon reservations.

## Little League Tryout Schedule

10-year-olds — 10:30 to 11:30 a.m.

Ideas, it seems, should count for even more than money. We hope your vote on March 14 proves us correct.

## Ideas Versus Money

On March 14, exactly one week from today, residents of Hastings Ranch will go to the polls to elect a city director from the Fifth District.

There are eight candidates from the District running, one of whom is Charles Ayres, a resident of lower Hastings Ranch. At least two other candidates appear to have an inside track. They have the money and the backing necessary to win an election.

Mr. Ayres, unfortunately, lacks funds and organized support. But he does have ideas on how you in Hastings Ranch should be represented in the Pasadena City Council.

Briefly, Mr. Ayres has stressed the following three main points in his campaign:

1. To provide the citizens of Pasadena with a voice in behalf of their interest against the well-financed and planned pleas of any special interest group.

Now, there's nothing wrong with being well financed. In fact, a state of affluence is desirable and generally absolutely necessary if one hopes to get elected.

However, a lack of funds should not automatically exclude a competent person from attaining public office. It's also becoming a maxim that city director elections in Pasadena are pretty well settled even before the balloting. This is an unhealthy situation and should be remedied.

2. To sponsor and work for the early enactment of a Charter amendment to require direct election by district of their city representatives.

Under the present system, directors are elected on a city-wide basis, although they must reside in the district they hope to represent before the election.

This means that in a wide-open district, such as the Fifth, a candidate can change his address before the election and move out of the district immediately afterwards. In a situation like this it's doubtful whether voters from a district will be adequately represented in the City Council.

Mr. Ayres' proposal would require districts to elect their own representatives, and those elected would be responsible directly to their home areas. In cities of 100,000 in population, this seems a desirable change from the present system.

3. To work for a detailed definition of the powers and duties of the Planning Commission and restore their status as the city's most important advisory board.

Mr. Ayres would like to see the Planning Commission stick to its guns on zoning and not grant variances or other changes simply because somebody of influence desires one, despite the fact that the variance may seriously affect property values.

Ideas, it seems, should count for even more than money. We hope your vote on March 14 proves us correct.

## Ranch Student In Organ Concert

Robert W. Jones, son of Mr. and Mrs. Robert W. Jones, 3765 Hampton, will take part in the first complete presentation on the West Coast of the organ works of Buxtehude.

The project is sponsored by the University of Redlands and the concert series days are March 4, 12, 18, 19 and 24 on the Redlands campus. Robert is a freshman student majoring in church music.

## Dance Club To Party at DeWald Studio

Hastings Ranch Dance Club will hold its March event at the studio of Mr. and Mrs. Gene DeWald in San Gabriel Saturday night, and return to the Ranch to have refreshments at the Rim Road home of Mr. and Mrs. Jack Steffens.

Other hosts for the party will be Mr. and Mrs. William Caldecott, Mr. and Mrs. Donald Jennings and Mr. and Mrs. Dan Taylor.

**LYNN MOORE** was hostess last Friday night and Saturday morning to some gals. She had a slumber party. The girls didn't mind the lack of sleep, but her parents are another matter. They were real fine, though.

**SINGING PINES** Girl Scout camp was the weekend spot for the Mariners. Carolyn Howell, Sheila Anson, Ditty Dittberner, Judy Vogel, Sue Webley, Lynn Eichelberger, Gretchen Schultz, Judy Jennings, Susie Mason and Marilyn Mohn were among those who attended.

**JUDY WARNICK** spent the weekend at the Ranch Club in Palm Springs. She enjoyed swimming and horseback riding.

**SUE RIECKE** spent the weekend at La Jolla. She had a blast.

**DIANE WILSON** had a party Friday night. They danced and ate the usual party grub from 7 to 10:30.

Those who attended were Donna Schulz, Leslie Sachos, John Stephenson, Maggie Steasan, Linda Anderson, Vicki Danon, Sidney Smith, Carol Westal, Bill Taylor, Tres Simmons, Joan Sharad, Diane.

Bonnie Rurt, Bobbie Gasper, Jay Donahue, Randy Lorn, Roger Manz and, of course,

Treasure.

Well, she won. Wilson's Hi, kids! Well, the Family speech champ won again. Movie Night at Marshall was Thursday night at the Si-a huge success and the erra Madre Lions Club and movie, "Has Anybody Seen She is still going full blast My Gal," with Pipe Laurie,

I am referring to Linda Rock Hudson and James Dittner. She will compete, next again the winners from all the junior high and high schools in Pasadena.

I am keeping my fingers crossed. How about crossing yours, too!

PERHAPS you have noticed some new faculty faces around the campus.

Miss Penn is replacing Mrs. Yensen, who went to Germany. Miss Penn enjoys putting her gym classes through exercises, such as push-ups. At first the kids groaned, but it didn't do any good. Now they don't mind them TOO much.

Mrs. Settle is replacing Mrs. Sandberg, who is moving to San Francisco. Mrs. Settle is making the study of personality in the ninth core section very interesting.

Then there's Mr. Giron. He is a cadet teacher in Miss Alley's second period French class.

He has many good ideas and, combined with Miss Alley's competent teaching, we are doing well in that class.

AT LEAST, I know one person besides myself reads this column.

Friday, Meredith Mitchell informed me that I goofed. So I will correct myself. Cliff and Mr. Mitchell did not get seasick. Mr. Mitchell did not go swimming, he went skin diving. And also it was Mr. Mitchell who fixed dinner.

Saturday, Karen Hedman was the fine accompanist. Other kids who participated in the program were Richard Brucker, Diane Tyler, Eddie Stuart, Judy Spaulding, Loy Kese, Valerie Anderson, Bill Sher, Billy Billott, Dick Benke, Frank Vilt, Dennis Lundin, Dennis England, Pat Arnold, Gary Schilmer, Pete Ward, Paul Killian, Rodger Meadows, Mike Goldberg, Howie Zatky, Sam Kirk and Steve Hamm, Steve Potter, Judy Keltner. All these boys and girls deserve credit for a fine job.

**MARSHALL'S** assembly last Friday was a most enjoyable musical program presented by our band. We extend our congratulations to Mr. Skeeters and his musicians for a job well done.

All the numbers were delightful and the selections suited us very much. Among the numbers they played were "Waiting for the Robert E. Lee," "Battle Hymn of the Republic," "Stormy Weather," "St. Louis Blues" and "Swing Low Sweet Chariot."

We should make special mention of Tom Toomb and Frank Vilt for their fine due on the horns. Their number was entitled "Swiss Boy."

**THE BOYS** on the track team were disappointed last Friday because the track shelf only to meet bitter disappointment in finding they apparently never heard of the sport. Not to be outdone, however, I turned to the man in the field for the low-down.

Emotion Often Plays Role  
In Migraine Headaches

(Presented as a public service by the Foothill Branch, Los Angeles County Medical Society)

Tell a migraine sufferer that headaches constitute a nuisance disease, and you'll be sure to have an argument on your hands—probably a losing one, at that.

Of all the members of the headache clan, migraine—the "sick headache"—is probably the toughest and most distressing. It metes out excruciating pain. It frequently causes nausea, vomiting, visual as well as other disturbances in the nerve centers of any part of the body which responds to sensation.

Blurring of vision, dark spots before the eyes, bright

flashes of light, double vision or a so-called fleeting blindness, are other more common symptoms of migraine. Sometimes patients report dizziness or sensitivity to noises or odors. Depression or melancholy is usually evident in the patient during an attack; often it appears as warning of an approaching headache.

WHILE THE CONDITION appears in both sexes, it is more frequent in women than in men, commonly between the ages of 15 and 35.

Though the cause of migraine headache is as yet unknown, some doctors attribute the pain to relaxation of the walls of the arteries in the upper neck and in the tissue covering the brain.

Relaxation causes the arteries to dilate and permits the blood to pass through with extra force. In turn this over-stimulates various nerves and causes the headache. Heredity seems to be a factor in migraine and it has been observed that susceptible persons are generally of a tense, nervous type inclined to worry.

Prevention of future attacks of migraine includes both medical and psychological treatment. Many drugs have been found helpful in migraine, particularly to lessen its severity. Such drugs will, if taken early enough, stop the headache in many persons; in others shorten the attack. However, many emotional and environmental factors play an important role in the cause of migraine.

TO BRING HELP in the emotional area a doctor must induce his patient to talk things out in order to help the migraine sufferer to better understand—and therefore to overcome—the emotional problems which may be at the root of the trouble.

Among these problems are such things as family conflicts, personal difficulties, money matters, job problems, feeling neglected and loss of a loved one. By talking these things over with the doctor the patient many times can reduce the number and severity of attacks of migraine.

There are other general health factors that are important in some cases, such as avoiding undue fatigue, avoiding certain foods or other possible allergic factors, avoiding excessive use of alcohol and, in general, observing the old rule "moderation in all things."

Las Companeras  
Holds Meeting

Members of Las Companeras met yesterday at Tweedie's Restaurant for their regular monthly meeting.

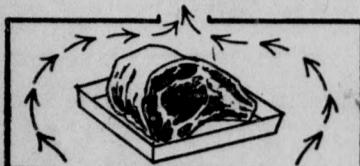

Following a short business discussion, presided over by the president, Mrs. Duane Manning, the program chairman, Mrs. J. Cranor Richter, introduced Marjorie McIntyre who reviewed several books on the Best Seller List.

Flameless electric cooking  
keeps more juice in the meat

LAMB GROWERS have selected demure Sue Lass as "Miss Bo-Peep" to help in their current promotion of lamb in the Southwest. The program is designed to acquaint housewives with the lesser-known cuts of lamb—such as the breast of lamb held by "Bo-Peep" above. The American Sheep Producers Council, working with the Department of Agriculture, is sponsoring the lamb promotion nationally as a part of a "self-help" program which has won praise from Agriculture Secretary Benson.

In roasting, juice is the secret of flavor—and flame is the enemy of juice

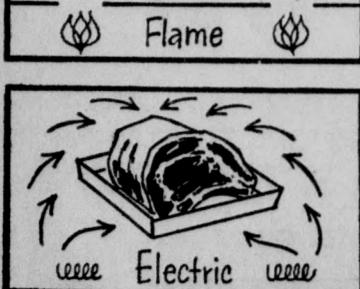

## Here's why:

Flame needs air to breathe. A flame-heated oven constantly inhales dry air, exhales moist air—literally cooks meat in a hot draft that evaporates good juices. And what is more disappointing than a fine roast without all its flavorful juice?

But when you cook it electrically, there's no draft of constantly changing air. Because there's no flame. You cook in moist, not dry heat. Result? More juice stays in the meat... and it tastes better.

And electric cooking is cleaner. Keeps your pots, pans and walls fresh and new. It's far cooler, too. Electricity puts the heat in the food, not in the kitchen. It's fast and automatic. Truly, electricity is the only modern way to cook. See your electrical appliance dealer soon.

Did you know? Flameless electric cooking costs about \$1.30 to \$1.50 a month for a family of 4

All-American  
Concert Set by  
Valley Symphony

Conductor Harold Scott presents an All-American concert when he takes up the baton to direct the San Gabriel Valley Symphony Orchestra Sunday, March 10, at 3 p.m. in the Monrovia-Duarte High School Auditorium.

Howard Hanson's melodic "Romantic Symphony" in three movements heads the program which includes American compositions "To a Wildrose" and other excerpts from "Woodland Sketches" by MacDowell, excerpts from "Rodeo" ballet by Aaron Copland and "When Johnnie Comes Marching Home" by Roy Harris.

This March 10 concert is the fifth of the season and will be followed a week later by a special appearance of the orchestra in Covina Union High School, Sunday, March 17, at 4 p.m., under the sponsorship of the West Covina Women's Club Juniors. The concerts, now in their 29th year, are presented under the joint auspices of the Los Angeles County Board of Supervisors, the Monrovia-Duarte Evening High, the cities of Monrovia and Arcadia and the Symphony Association and its patrons.

One number, "American Fantasy," will be presented by the Junior Symphony Orchestra, practice followed each year by the founder and conductor, Harold Scott, in encouraging young musicians. This composition by Grossman is based on American folk and patriotic airs. Admission is free for the symphony.

IMPIISH antics of "Angelita" regale audiences at Padua Hills Theater in Claremont. Playing title role is Yolanda Alba, who is being protected in her devility by kind father, played by Gregorio Velazquez.

## State Opens Drive for Salk Shots

All people under the age of 40 should be immunized against polio at once, is the belief of the State Department of Health, in announcing that Salk vaccine is available and suggesting that immunization should be done before the so-called "polio season" begins.

The department said the hope is to immunize the six million yet unvaccinated who are in the most vulnerable age group, under 40. For a time the supply of vaccine was limited, but now there are ample stocks.

Statistics show that 78 per cent of Californians have not been vaccinated, 52 per cent under 20 have not been vaccinated; 60 per cent of children under 5 have not been vaccinated, and less than 1 per cent of adults of 20 years and over have had the vaccine.

The department also pointed out that the Salk vaccine is safe and effective in preventing paralytic polio, effectiveness reaches its maximum after three injections, and that starting injections now is best so that immunity will be established by summer.

Paul J. Langlie, Monrovia district manager.

The magazines, together with 3,000 brightly colored posters for schools and Edison offices, are being given out by company district managers in Central and Southern California.

Once mislaid it takes a lot of looking to find a lost reputation.

Dramatic Play March 8-9

The Shakespeare Juniors are feverishly putting the final touches on this year's dramatic production entitled "The Face Is Familiar!" Written and directed again by William Lamb, 1435 D'Arverne, the original comedy with music presents a varied farce by traveling up and down New York's Broadway from the Burlesque to Straw Hat to the Operetta.

Most of the cast of 60 will be remembered from last year's well received farcical takeoff on the Navy, "Now Hear This," but a number of new faces will be seen.

The audience will be taken, through the medium of Edward R. Tomorrows "Cheek to Cheek" TV interview, to three shows now playing on Broadway. Each of the three acts will be an excerpt from, respectively, a Straw Hat Revue, the Folies Burlesque and the Light Opera.

Mrs. Donald W. George, drama chairman, is being assisted by Mmes. Stuart N. Cypher, Alan J. Wurts and Robert F. Gordon, Stuart Cypher is assistant director and in charge of production for the play which will be presented March 8 and 9 at the Shakespeare Clubhouse, 230 S. Los Robles, Pasadena. The public is invited to attend.

Others helping behind the scenes include Mmes. Rodney N. Basic, Ira C. Mattheson Jr. and Charles P. Moller doing scenery. Musical direction is being done by Mrs. Florence Gobel, audio engineer, Kenneth Collins, choreography, Melvin Kaiser and costumes by Mmes. Edwin F. Easterling and Robert P. Cooper.

Juniors and their husbands augmenting the revue are the Thomas Fessenden, Robert Cushman, William F. Johnstone, Calvin K. Caseys, Donald Bents, Jerry Hendricks and the James Sellins.

Several other Juniors in the cast include Richard Pember, John Krom, Robert Bucknell, George Morales, James Simpson, Edwin Easterling, Donald George, Robert Cooper and Walt Ziegler.

Many more members working for the success of the play include Mmes. John M. Barnell, Richard Spanjian, Henry R. Van Russel, S. Glen Hickman Jr., Gale L. Wopschall, Claude R. Hickman, Robert L. Goldie, Lawrence B. Hendrickson, Donald W. Gormly and David K. Gormly.

Ticket distribution is under the direction of Mrs. Kenneth C. Holloway, Hillcrest 6-4869. Following the last performance a party for the cast will be given at Carpenters, Santa Anita.
